#Student Excellent Presentation Award

This award will be presented to recognize student members who have given excellent presentations at the meeting.

Do you wish to be considered for the Student Excellent Presentation Award?
(Up to two presentations per corresponding author may be considered.)

☐ Yes ☐ No

#Seeding" Opportunity

The Society regards the annual meeting as an important seeding opportunity for its members from the industry, academia and government institutions. It aims to facilitate the dissemination of research seeds as widely as possible through mass media. The meeting organizing committee will select about 30 presentations as "Hot Topics" and open those seeds to technology licensing organizations (TLO). Please indicate your preference for seeding.

If your seed is selected as a hot topic, you will be asked to accept the following:

- Contribute an extended abstract to be published in the Topics Guide.
- Accept press interviews.

We would like our research to be made available for seeding.

☒ Yes ☐ No

Appeal points

Contents must not exceed 200 letters

3) Check your entry before submission.

NOTE: Surname/Last Name appears first, followed by First Name on the confirmation screen. In the meeting abstracts, the name registered for First Name will appear first, followed by the name registered for Last Name. e.g. James Joshua Villapando
