Awards for SBJ Members

SBJ active member is eligible to nominate a candidate for the following awards. Self-nominations will not be accepted.

- **Society Award of the Society for Biotechnology, Japan**
This award recognizes a SBJ member who has made outstanding contributions in biotechnology.
- **Achievement Award of the Society for Biotechnology, Japan**
This prize is awarded to a SBJ member for his/her significant academic and technical research in the field of Biotechnology.

- **Meritorious Service Award of the Society for Biotechnology, Japan**

The intent of this award is to recognize a SBJ member who has supported SBJ's activities for promotion of research and development in biotechnology.

- **Encouragement Award of the Society for Biotechnology, Japan (Eda Award)**

This award is designed to encourage a SBJ member in the early stages of his/her career who has made major contributions to the theory or technology regarding brewing, such as refining sake, etc.

- **Encouragement Award of the Society for Biotechnology, Japan (Saito Award)**

This award is designated to encourage a SBJ member in the early stages of his/her career who has made outstanding contributions to basic studies in the field of biotechnology.

- **Encouragement Award of the Society for Biotechnology, Japan (Terui Award)**

This award is designated to encourage a SBJ member in the early stages of his/her career who has made significant contributions to progress in the field of biochemical engineering.

- **Technical Award of the Society for Biotechnology, Japan**

This award recognizes outstanding contributions to industrial research and development in the field of biotechnology.

- **Excellent Student Award of the Society for Biotechnology, Japan**

This award is given to students who show promise for significant future achievements during doctoral research. Candidates must be enrolled students in the master course of graduate schools or those who have academic qualification equivalent to the master degree.

Awards may include the following:

- Certificate of recognition and/or plaque
- Recognition at the award ceremony at SBJ Annual Meeting
- Special presentation opportunities (optional)
- Complimentary registration for SBJ Annual Meeting (optional)
- Financial rewards (optional)

Inquiries
