

On Friday, October 21, 2022, following the **74th annual meeting of the Society for Biotechnology, Japan (SBJ)**, commemorating the society's 100th anniversary of founding, we will hold a symposium titled "Joint SBJ Meeting with Indonesia, Philippines, and Thailand" to commemorate the 100th anniversary of the organization's founding.

- **When:** October 21, 2022 10:30–18:00
- **Where:** Online  
(Information for the online symposium will be posted later.)
- **URL:** <https://tua-events.org/sbj100/>
- **Joining fee:** Free (Prior registration is required.)
- **Program:** **Joint SBJ Meeting with Indonesia, Philippines, and Thailand (tua-events.org)**

**[Morning Session]** 10:30–12:30 (Opening remarks and introduction of activities)

Prof. Fukuzaki, the President of SBJ, and representatives from biotechnology-related societies in Indonesia, Thailand, and the Philippines will introduce their respective societies' activities.

- ◆ The Society for Biotechnology, Japan (SBJ President, Prof. Eiichiro Fukusaki)
- ◆ Indonesia Biotechnology Consortium (Dr. Mastur)
- ◆ Indonesia Society for Microbiology (Dr. Iman Rusmana)
- ◆ Philippine Society for Microbiology (Dr Howell Ho)

◆ Thai Society for Biotechnology (Prof. Penjit Srinophakun)

**[Afternoon Session]** 15:15–18:00

Lectures by researchers from Indonesia, the Philippines, Thailand, and Japan

**Topics:**

1. Food Biotechnology & Fermentation
2. Agricultural Biotechnology (plant & animal)
3. Biosecurity & Biosafety (including Intellectual Property)
4. Bioenergy & Bioeconomy
5. Molecular & Medical Biotechnology
6. Environmental Biotechnology (including plankton)
