

For registered ScienceDirect users

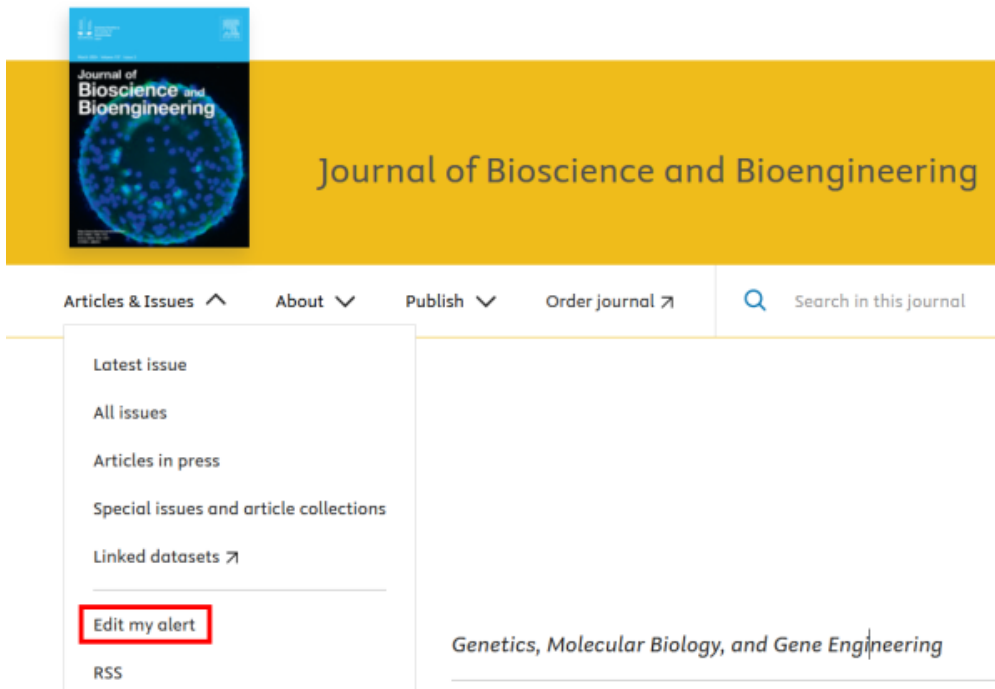

On the JBB home page (<https://www.sciencedirect.com/science/journal/13891723>), select "Set up journal alerts" from the "Articles & Issues" drop-down menu.

For individual members of the Society (Active members and student members)

Individual members of SBJ who have completed the [membership access activation procedure](#) can view the full text of papers published in the latest issue by clicking on the link in the latest issue alert.

If you wish to cancel an alert that you have already subscribed to, please go to Articles & Issues > Edit my alerts and change your settings.

For those who have not yet registered as a ScienceDirect user

On the JBB home page (<https://www.sciencedirect.com/science/journal/13891723>), select "Sign in to set up alerts" from the "Articles & Issues" drop-down menu.
