

[For SBJ members] Delay in the delivery of the July issue (JBB and Seibutsu-kogaku Kaishi) | 1

The delivery of the July issue of the Journal of Bioscience and Bioengineering and Seibutsu-kogaku Kaishi will be delayed due to the publication of the meeting program.

The July issue and the meeting program (in Japanese) will be dispatched on Wednesday, July 31, 2013.

Thank you for your patience.
