

The virtual special issue (VSI) for the 100th SBJ Anniversary is now available in the Article Collections on ScienceDirect.

<https://www.sciencedirect.com/journal/journal-of-bioscience-and-bioengineering/special-issues>

All the articles published in the VSI will have free access from January to December 2022, when SBJ celebrates its centennial.

The first article was published in vol. 132, issue 5 (November 2021) and more invited review articles will be added in the VSI after they are published in the normal issues.
