SBJ Office will be closed from August 11 to 15, 2021 for summer. In addition, August 9, 2021 is a substitute public holiday because Mountain Day falls on Sunday (August 8, 2021) this year. Any inquiries sent to the office during the holidays will be replied after we return.

Manuscript submitted to the Journal of Bioscience and Bioengineering between August 11 and 15 will be processed after August 16. The review process might take longer for those submissions but the journal makes every effort to minimize delay.

Thank you for your patience.
